

7 of the 10 images from the Davka Judaica graphic of the 10 plagues (the final three plagues are in Parshat Bo) 🧐 the MATEH, Moshe's Staff. It is burping because IT (not the TANIN it had changed into) ate the staffs of the wizards 🧐 Sword for Z'RO'A N'TUYA, the "outstretched arm" with which we were to be taken out of Egypt 🧐 Shovel used by the Egyptians to dig for water - the only way for an Egyptian to get a drink during the plague of Blood 🧐 The oven is what some frogs went into, producing a Kiddush HaShem and a lesson to us that G-d is still in charge of nature - He renews, every day, the acts of Creation 🧐 Four cups of wine for the Four Terms of Redemption 🧐 SSSJ - Student Struggle for Soviet Jewry, slogan: Let My People Go 🧐 Pictorial representation of Par'o's heart strengthening 🧐 Emblem of the Hogwarts School. Par'o's wizards might have been dropouts from Hogwarts since they were not able to cope with the plague of KINIM (lice) 🧐 Standing wheat and the broken barley in the aftermath of Hail 🧐 Crocs, for crocodile, as in the staff-turned-to-TANIN 🧐 compass needle points "to north", in Hebrew: EL TZAFON 🧐 C is the symbol for carbon, the main (only?) ingredient in the furnace soot that Moshe and Aharon used to bring about the plague of SH'CHIN 🧐 Flag of Vietnam. The key makes it KINAM (key-Nam), a.k.a. KINIM,

plague #3 🧐 Elazar b. Aharon HaKohen married one of the daughters of PUTI'EL; they had Pinchas. Elazar's wife was BAT-POOH-T-L 🧐 Sports teams' logos for AROV. Detroit Tigers (baseball), Cincinnati Bengals (football), Memphis Grizzlies (basketball). Grizzlies logo is most appropriate symbol for a plague in Egypt because Memphis was the name of an ancient capital of lower Egypt 🧐 Pic of snow cones - in Hebrew, BARAD, plague #7, with the fire in it 🧐 Lentils, arrow pointing to a single lentil, ADASH, from Rabbi Yehuda's "code" 🧐 Uzi and a bottle and glass of ale, combining to UZIEL 🧐 The frog who thinks that $2+2=5$ is a DUMB TZ'FARDEI'A (old joke) 🧐 Letter E formed with a date palm and 3 dates is an ITAMAR 🧐 Me'arat HaMachpeila in Chevron, for son of K'hat 🧐 RAMZOR, traffic light, with green for GO followed by a tooth, in Hebrew, SHEN, combining to GOSHEN 🧐 Livni for the son of Gei-r'shom 🧐 PAR (bull) + O (in sign language) 🧐 Hoover Dam is for blood (DAM) 🧐 Scorpion was one of the wild animal mix of AROV (based on Rashi) 🧐 LEVII, which looks like LEVI with an extra I - which could easily be a typo (except we never have typos in TT), is really L E and Roman numerals for 7 - read it as: ELISHEVA, wife of Aharon HaKohen 🧐 Hagar the Horrible, comic strip character, is a spell-alike to HAGAR, mother of Yishmael. Gimatriya of Hagar is 208, just like Va'eira 🧐 100°C and 212°F are the temperatures at which water BOILS, as in the plague of SH'CHIN. Boils, get it? 🧐 And don't forget the MazalPic - separate prize of CDs for the first correct solver.
