### Previous (CHAYEI SARA) TTriddles:

#### [1] FPTL: She quickly lowered her jug

Issue number and sedra-related. Eliezer approaches Rivka and asks for a drink. She quickly lowered her jug... VAT'MA-HEIR VATORED KADAH...  $6+400+40+5+200$  (651) +  $6+400+6+200+4$  (616) +  $20+4+5$  (29) = 1296.

#### [2] He didn't get a YUD; his next brother did

Sons of Ketura from Avraham number 3 and 4 of 6, were M'DAN and MIDYAN.

#### [3] Bus stop 34223 (in Modiin). Answer is a number

Unless the information was available in the internet, we really didn't expect people to know that the bus stop in question is in Modiin, at the intersection of Rechov Sara Imeinu and Rechov Esther HaMalka. The answer is 127.

#### [4] What do Ra'ma, Yoktan, and Yokshan have in common?

They each had a son named SH'VA.

#### [5] MazalPic

Olive + r + (chess) Queen = Oliver Queen, alter ego of The Green Arrow, a fictional ARCHER, as in Mazal Kislev, KESHET, The Archer, Sagittarius.
