Please Read carefully

This issue (1291) contains Haazinu and Sukkot.

The Sukkot pages are the 9 innermost sheets of paper of the 36 pages that make up this 128-page issue.

If you grab them together and gently remove them from the staples, you will be able to separate them sheet by sheet, for best use.

Issue 1292, will IYH come out on Wednesday, October 3rd, for Parshat B'reishit. It will probably be a smaller issue...

Submissions for TT 1292 should preferably be in before Sukkot. After that time, we cannot promise inclusion, but we will try to accommodate.
